THE KNABSTRUPPER BREED & ASSOCIATION

The Knabstrupper breed

The Knabstrupper is an old Danish cultural breed that has its origin at Knabstrup Hovedgård (Knabstrup Manor). The village Knabstrup, which has also given the Knabstrupper Horse its name, is located near Mørkøv in northwest Zealand. The ancestress, called Flæbehoppen (the Flæbe mare) or Flæbe I, was a mare that the Spanish troops brought to Denmark during the Napoleonic Wars. The first Knabstrupper foal was born in 1813, and the stallion Thor born in 1847 is considered the actual progenitor of the breed.

KNN

‘Knabstrupperhestevlsforeningen for Holbæk Amt’ was founded November 21st 1947, and on March 20th 1971 the association became nationwide under the name ‘Knabstrupperforeningen for Danmark’ – now widely known as KNN.

KNN is a democratic, non-profit organization that is the mother association for the Knabstrupper breed. KNN is EU-approved as maintainer of the studbook of the origin of the Knabstrupper breed, meaning KNN’s rules must apply for other EU-studbooks wishing to have a breeding program for Knabstruppers.

Purpose

KNN’s purpose is to preserve and promote the breeding of the Knabstrupper; in order to preserve and produce the spotted Knabstrupper according to standards agreed upon at the General Assembly.

Endangered breed

The Knabstrupper is recognized nationally as well as internationally as a rare, endangered breed worthy of preservation.

Since 2002 KNN has cooperated with the Genetic Resources Committee, now the Preservation Committee for the preservation of the Knabstrupper Breed.

DIVISION OF THE STUDBOOK

KNN’s studbook is divided in a main section and an appendix. Both sections are subdivided.

Stallions only from the main section are eligible to present for license and grading. Mares from both the main section and the appendix can be presented for grading or outcross approval. F3 is the highest appendix section, and offspring by F3 mares and approved Knabstrupper stallions and approved outcross stallions are born into the main section of the studbook. A F3 mare is the graded daughter of a F2 mare and an approved Knabstrupper stallion. A F1 mare is a graded mare of unknown or not accepted decent. A mare by an approved Knabstrupper stallion out of a not approved dam will also be graded F1.

For all the details of the studbook division, please visit KNN’s breeding programs 2.2. [Love og Avlsprogrammer \(knabstrupper.dk\)](http://LoveogAvlsprogrammer.knabstrupper.dk) All the Breeding Programs are also in an English translation.

BREEDING PROGRAMS & STANDARDS

The Standards/Breeding Programs

The standard, today called the Knabstrupper Horse¹, is the original description of the Knabstrupper from the start of the association. Thus, it is from these Knabstruppers that all other Knabstrupper horses and breeding programs originate – also on a global level.

As early as 1972, however, a size division was made, so a distinction was made between Knabstrupper horse over 147 cm at withers and Knabstrupper ponies of max. 147 cm at withers. In 1992, an actual standard for the Knabstrupper pony of max. size 148 cm at withers was adopted.

In 1998, the standard for the Knabstrupper Miniature Pony was adopted.

The standard for the Knabstrupper of Classic Ridingtype was adopted in 2005.

In 2017, it was decided that 'Rules and Standards' were divided into 8 breeding programs, as the previous 4 standards were also divided into Purebred and not purebred. The 8 breeding programs are as follows:

- Purebred Knabstrupper Horse
- Knabstrupper Horse
- Purebred Knabstrupper of Classic Type
- Knabstrupper of Classic Type
- Purebred Knabstrupper Pony
- Knabstrupper Pony
- Purebred Knabstrupper Miniature Pony
- Knabstrupper Miniature Pony

PUREBRED DEFINITION

Knabstrupperforeningen for Danmark's criteria for a Knabstrupper to be considered as purebred is:

Year of birth	Purebred (minimum)
Horses born up to and in 2009	6/8 (75%) purity in the 3 rd generation
Horses born from and in 2010	7/8 (87,5%) purity in the 3 rd generation or 12/16 (75%) purity in the 4 th generation

On the GM in 2024 it was decided that for purebred Knabstruppers also the purebred ratio in the 5th generation must be listed at gradings.

HISTORIC BLOODLINES

For each horse in the catalogue the Historic Knabstrupper Bloodlines are mentioned.

KNN operates with 4 bloodlines:

Mi – referring to the stallion Mikkel 1919

Ma – referring to the stallion Max Bodilsker

SK – referring to the stallion Silverking II

ZS – referring to the stallion Zarif Skellingsted

¹ Between 2005 and 2023 this standard was called 'Knabstrupper Sports Horse'; but this name has caused a lot of confusion, which is why in 2023 it was decided to go back to the original name 'Knabstrupper Horse'.

VARIOUS INSPECTION INFORMATION**PASSPORTS**

Passports for mares and stallions for inspection, license, grading & performance test must be handed in before the assessment begins, just as passports must be collected again before leaving the venue after the event.

BRIDLE NUMBERS

Bridle no. tags are provided, and the horse must wear clear catalogue numbers on both sides of the head at all presentations. It is permitted to use your own bridle no. tags as long as the above is observed.

CARABINER HOOKS IN REINS AND LEAD ROPES

All reins and lead ropes must be equipped with carabiners, so that removal/reattachment can take place quickly and easily in connection with the horse being released/recaptured.

HORSE WELFARE

KNN demands that horse welfare is prioritized at the association's events. All participants are expected to show good horsemanship and handle the horses with kindness, calmness, respect and consistency. Bad horsemanship, abuse, mistreatment, aggression, violent handling or the like will not be tolerated.

DISCLAIMER

All attendees in the event must agree that they participate at their own risk. The organizer or KNN cannot be held liable for any kind of loss, injury or damage, whether direct or indirect, consequential or incidental, arising from participation in the Knabstrupper grading. The organizers or KNN are not responsible for any damage that a horse may cause to a third party; but we encourage the horse owner/exhibitor/handler/rider to have taken out the necessary insurances.
